

Restricted operator certificate

According to the Ordinance on Vocations and Certificates of Competencies for Seafarers (of the Republic of Croatia):

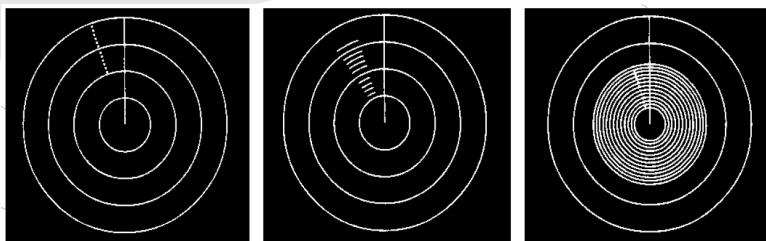

(1) The certificate of capability to act in the capacity of a restricted radio-operator (STCW IV/2), shall be extended to a seafarer who:

- is at least 16 years old;
- had completed an elementary education and particularly-tailored training, consistent with the programme detailed in Appendix D, which represents a constituent part of this Ordinance;
- passes the exam prerogative of issuance of such a certificate, consistent with Appendix C of this Ordinance;
- complies with the health requirements set up in this regard.

(2) The requirements stipulated in paragraph 1 of this Article, relative to training and taking exams, are not applicable to persons who had successfully completed the programme covering all the topics referred to in paragraph 1 of this Article during the course of their high or higher education.

(3) The certificate referred to in paragraph 1 of this Article is considered valid for the period of five years, starting from the issuing date.
