Project total cost	Overall funding assigned to PFRI
149,598.00 €	-

SUMMARY

The project originated from the Initiative for Quality Assurance in Higher Education in the Republic of Croatia with the aim of transforming the university to better serve the needs of students as well as society as a whole. The project was guided by the national priorities that are necessary to maximize the impact of the Bologna Declaration's Principle on the Reforms of Higher Education, resulting in the need for academic quality, a clear quality assurance framework and continuous professional training of teachers.
